

**Fashion**  
 What you wear is how you  
 present yourself in the world,  
 especially today, when human  
 contacts are so quick.  
 Fashion is instant language

**Designer**  
 Fashion is what you're offered  
 four times a year by  
 designers. And style is  
 what you choose.

**Quality**  
 It's better to have fewer things  
 of quality than too much  
 expendable junk

**Beautiful**  
 Nothing makes a woman  
 more beautiful than  
 the belief that  
 she is beautiful
