Lifestyle
for every age

It's the kind of clothes that mothers and daughters can wear,
in terms of concept.
It's not about age. It's about love, and in about lifestyle.
I believe women of all ages can wear anything.

Speaking about the collection, Peninsular
"What makes this collection even more
exciting is that it is coming up around the
same time as festive. The outfits pay
homage to the Mughal era and are adept for
the occasion. I am very happy about the
beautiful curation and the 6 power
designers who helped us in doing so."
