"Kalaapi silk in India is known by tradition, in the roots and the spirit. The fabric is woven on a handloom by the girls. The women do not use any modern machinery. They use only their hands and feet to make a great piece."

The Art of Indian Fashion

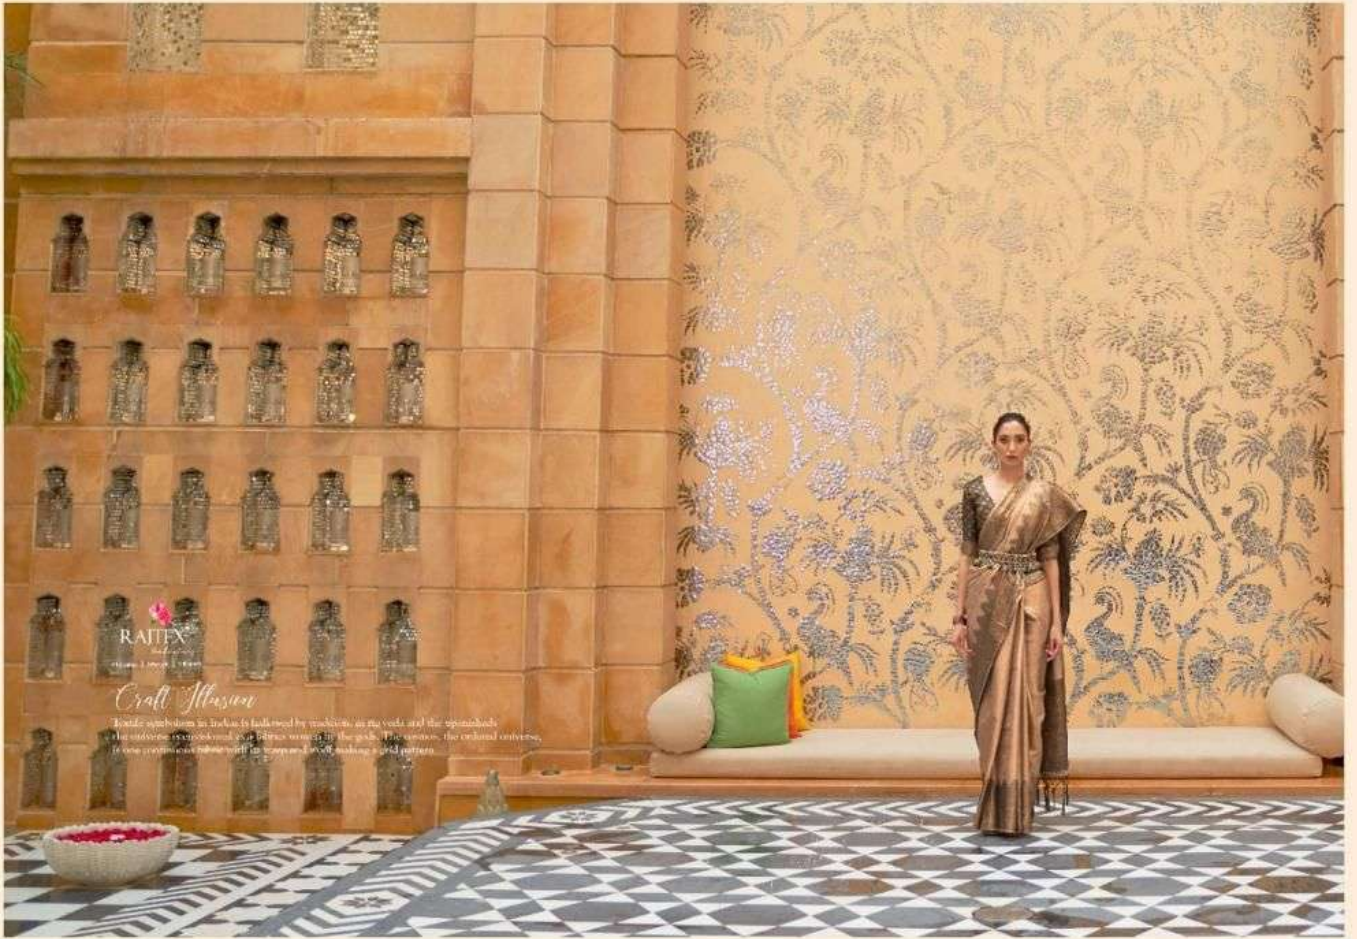

Craft Illusion

India's rich heritage is reflected by nature, its rituals and the crafts that the nation is renowned for. The craft is a fabric woven by the people. The essence, the technical expertise, is woven into fabric, with its unique and varied patterns and colors.

RAITEX

Craft Illusion

Artistic exploration in fabrics is bolstered by precision in the cuts and the appointments. An intricate, experimental yet fabric-true design, the creation, the crafted universe, is one continuous dialogue with nature and love, making a bold pattern.
