Fashion is the most powerful art.
It's manners, design and architecture
all in one. It shows the world
who we are and who we'd like to be.

This section features two images of the same woman in the same green and gold dress. The left image is a medium shot of her sitting in the chair, looking towards the camera. The right image is a close-up of her hands, showcasing her jewelry: a large, oval-shaped red stone ring on her left hand and a smaller ring on her right hand. The background of both images is a blurred view of the ornate room.
