Since love grows within you, so beauty grows. For love is the beauty of the soul Inner beauty should be the most important part of improving one's self.

Beauty is not just about physical appearances ,
but how you see yourself & hoe you let others see you ,
you must look deeper to actually see true beauty.

fashion is not something that exist in saree only,
fashion is in the sky, in the street,
fashion has to do with ideas
the way we live, what is happening.

There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

*Mystery
of Glam*

The beauty of a woman must be seen from her eyes,
because that is the doorway to her heart,
the place where love resides.

The beauty of a woman is not in a facial mode but the true
beauty in a woman is reflected in her soul. It is the
caring that she lovingly gives the passion that she shows.
The beauty of a woman grows with the passing years.
