*They were carved from desire*  
*The glowing damsels*

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold.

You connect the world to what it believes has been lost forever. Joy, smiles, laughter, and most importantly, style. You are the last caution of beauty, in a world inundated by temporary fads. Amidst all the "seasons of the season", you reign supreme with your timeless grace. Your soul lives up to your beauty.

*You be beautiful means to be yourself. You don't need to be accepted by others. you need to accept yourself.  
Beauty is how you feel inside, & it reflects in you eyes, it is not something physical.*

*A reflection of purity*

As they gaze into the mirror, they're struck by bewilderment. Not knowing it is their reflection they behold they imagine it to be a world of wonder and colour imprisoned in the confines of those glassy depths. They marvel at the beauty within, clad in threads of utmost magic.
