

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup, fashion and people's overall attitudes. In the 60s flower power did not only mean flares and tunics, it summed up the whole attitude of a generation, and this is even more prominent today.*

*In this era, contrary to the style trends of the fashion industry, dominate the world more than they ever did, and instead of only the very people dress but also trends in their own design, making fashion and people a small nation. In this era, there is not only a new place and nation, it is named up the whole attitude of a generation, and this is our new generation today.*
