## Coral Charming

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. In the 60's flower power did not only mean floral and beavis, it summed up the whole attitude of a generation, and this is even more prominent today.*

## Luxury Attitude

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. In the 60s flower power did not only mean flares and tunics, it summed up the whole attitude of a generation, and this is even more prominent today.*

## New Style

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. # Simplicity

*In the 21st century, the style trends of the fashion industry dominate the world more than they ever did, and instead of only the very people dress, but also trends in home ware design, making fashion and people's overall attitudes. In the 60s, flower power did not only mean flowers and lyrics, it summed up the whole attitude of a generation, and this is even more pronounced today.*

## Blossom Collection

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, making fashion and people's overall attitudes. In the 80's flower power did not only mean flares and tunics, it summed up the whole attitude of a generation, and this is once more present and today.*
