*Remember me not through words, to the naked eye, but those who have to feel me as they slowly, like heartily, are
delivered from the world with delicate tenderness, with the
gentle spirit of love and trust, and the love of the world.
That's what we are, a man's imagination.*

*Menaces are not always visible to the naked eye, but their
side here by faith can be their reality. The beautiful, un-
adorned man's forehead with vibrant, colorful, white for
your eternal being to come out and breathe the air of freedom.
Take pride in our own organization.*

*Minds are not always windows to the naked eye, but their
sides have the power to see things clearly. The knowledge we
acquired may be used with dishonest transparency, with the
goal of doing to others not just harm, but the sin of passion.
Let's push in our own organization.*

Things that you like and want you can purchase. The best thing about the saree is that it is a piece of art. It is a piece of art that you can wear and it will be the best thing you can wear it.
