There is beauty in a woman whose confidence comes from experiences; a woman who knows she can fall, pick herself up, and move on.

••• D.NO-16106

He combines the magic of ages past with the panache and look of the future. His spells break your defences and leave you senseless, captivated by the charm of her immaculate dress.

There is no short cut to embellishment, instead there are beautiful fabrics and some the sharpest silhouettes, I have seen in a long time.
