Beauty of style & harmony & grace & good rhythm depend on simplicity look good & feel confident in every walk of your life.

Real beauty is to be true to oneself. that's what makes me feel good the best part of beauty is that which no picture can express.

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever.

The beauty of a
woman must be seen
from in her eyes,
because that is the doorway
to her heart, the place
where love resides.

Be sure what you & be sure about yourself, fashion is not just beauty, it about good attitude you have to believe in yourself & be strong.

I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

It is the caring that she lovingly
gives the passion that she shows, the beauty
of a woman grows with the passing years,
beauty is power; a smile is its sword.
