# Shimmer FLOATING

Looking good and feeling well is a necessity. Being in a way of life. Dressing is a matter of taste. Fashion is the style and cannot prevail in a given time. It was the art form, to which can be a part of their culture and religion. Fashion can be used in secret as an extension of each one's personality or to disguise their own true self.

# The WOMANKIND

Fashion plays an increasingly important role in an individual's life because it is considered as a means of self-expression. The garments and accessories women wear, help them to identify with a group of others whether it is a lifestyle preference, a religion or an attitude. Thus, the term 'fashion' has become synonymous with the overall growth of the country as well.
